### Career Objective

Front-end developer at an entry level with proven experience at SheCodes. Capable of continuous learning from senior developers. Passionate about learning and development with a desire to apply skills on a larger development team. Aspire to tackle more complex problems and continue to find ways to maximize user efficiency.

### Experience

- **2022 - Present**  
SheCodes  
**Junior Front-end developer**  
In the course of my training at SheCodes, I did the following projects from inception to launching, using HTML5 grid layouts, CSS and JavaScript.
  - A responsive, accessible and dynamic website to enable users to easily navigate site
  - A weather Application for everyday use
  - Maintained accuracy and attention to details throughout the creative and development process
  - Handled multiple projects simultaneously while ensuring all projects were completed within the deadline date
- **2019 - 2022**  
CMC Interiors, Lekki, Lagos  
**Graphic Designer**
  - Creating contents and designs for the company's website
  - Deciding how image and text will go together for best communication to customers
  - Selecting colours, images, text styles and layouts for online fliers for adverts
-
